## DELTA CHAPTER HOUSE CORPORATION

- The house corporation achieves its mission by:
- Maintaining and repairing chapter property and equipment
  - Managing chapter finances, revenues, and resources
  - Coordinating risk management and insurance
  - Connecting with national fraternity
  - Alumni communications, events, and newsletters

Like any home, there are always maintenance and upkeep costs, insurance and liability costs, taxes, etc. that are house corporation expenses. The bathroom renovation is complete. Our next projects: dining room renovation/refurnishing, lighting, 1st floor guest bathrooms and exterior painting.
